## *out of the chaos and darkness...*

Curated by Courtenay Finn

### Exhibition Reception

### Wednesday, March 24 from 6-8 pm

Lower East Side Printshop is pleased to announce *out of the chaos and darkness....* This presentation takes Matthew Day Jackson's print *Metamorphosis* as a starting point to present new unique works on paper by **Golnar Adili, Shana Agid, Rachel Beach, Sandra Chi, Erin Diebboll, and Sadie Weis.** Borrowing a phrase from Ralph Ellison's *Invisible Man* for the title, the exhibition showcases artworks that investigate the ever-changing concept of the American Experience and the American Dream. The artists in the exhibition use several printmaking mediums and a range of materials to address our complex connections to mythology, history, and society. Overall the exhibition conveys an overarching sense of transition and metamorphosis that characterizes our current place in the world.

**Opening Reception:** Wednesday, March 24, 6-8 pm

**Exhibition Dates:** March 3, 2010 - May 9, 2010

**Hours:** Monday - Sunday, 12 - 6 pm
